# Overview

Unifrog is a “one-stop-shop” where students, and parents, can easily explore their interests, then find and even apply for the next step after Trident College.

Unifrog will help students to explore their key interests and what career paths they can take to reach their goals!

You can access it through [www.unifrog.org](http://www.unifrog.org) on a web browser, or on your phone/tablet.

Research different careers and subjects

Keep a record of things done. This will help with completion of applications

Explore different universities and options for life after Trident. You can shortlist your favourites and start to discover where in the world you might like to go!
