

TRIUMPHANT CHAMPIONS!

U19 ISAZ NATIONAL NETBALL AND SOCCER WINNERS 2025- TRIDENT COLLEGE!

Trident College celebrated an outstanding achievement as our U19 teams clinched victory at the ISAZ National Netball and Soccer Championships 2025. The dedication, teamwork, and sportsmanship demonstrated by our athletes truly paid off, marking a significant milestone in our school's history. Our heartfelt congratulations went out to the players, coaches, and supporters who contributed to this victorious journey. This triumph was a source of immense pride for Trident College.

FRANCOPHONE CELEBRATION AT KABITAKA

BONJOUR

By Gladys Batubenga- YR 12

“Twenty-one students visited Kabitaka School, where Trident College was invited to join in their Francophone Day celebrations. We were one of three schools participating. Our contribution included a dance performance, a French song, three presentations covering topics such as cultural diversity in the Francophone world, the significance of the French language in international organisations, and the influence of French artists in music, Literature, and cinema. Additionally, we shared three French poems and performed a skit.”

~ Mrs. Van Eeden

Boarding Roadshow

Jaswanth Vandanapu - YR 9

It was truly delightful to connect with so many parents and receive such encouraging feedback directly from the community. Our school accomplishes a lot of amazing things, and the appreciation is overwhelming. A special thanks to Gladys for organizing everything with such meticulous care. We also noticed significant interest from prospective parents.

“One comment that stood out to me was from a parent who said, ‘For such a young school, you're making a significant impact in the Zambian education system, and it's a really positive thing.’”

~ Mr. Cole

Europe Trip

BRUSSELS

Twenty-two students, three teachers, eleven days, two countries, planes, buses, trains, boats and **LOTS OF WALKING**. Trident College embarked on the second ever Europe Trip. The students enjoyed a variety of artistic events and experienced French culture. Not only were the students provided with lots of exposure, they immensely enjoyed themselves! Take a look!

- \$40 community & conservation levy per stay.
- Safety & departure taxes.
- Spa treatments, laundry, fishing tackle hire, private guiding, and other personal extras.

COMMUNITY SERVICE

“Trident College had the pleasure of hosting a group of children from Cheshire Homes. Thanks to Francis, they spent time in the lab engaging in a fire experiment and learning about fire safety. Our students organised a delightful treasure hunt for them, and they also had a blast on the football field. The kids savoured delicious home-baked muffins, courtesy of Rhoda and Zarah Carton (Marx's mother). All activities were led by our students.”

~ Mrs. Milasa

COMMUNITY SERVICE

“Sister Raja, the Head Teacher of St Mary's requested help for three deaf brothers recently brought to the school, aged 9, 7 and 6. I shared this request with the community, and I'm pleased to report that the response was overwhelming.

The sisters are currently hosting 75 blind and deaf pupils in their boarding facilities. It is humbling to witness how much they are doing with such limited resources.

Several of you reached out, expressing a desire to support this cause. I simply want to report that your donations have been delivered, and the sisters are immensely grateful for your swift and generous response. “ ~ Mrs. Milasa

BRONZE DUKE OF EDINBURGH PRACTICE EXPEDITION

By Kalenga Mwewa & Eliel Kawel - YR 11

Our Bronze Duke of Edinburgh participants successfully finished their practice expedition during the weekend of March 22–23, gearing up for their forthcoming qualifying journey.

Early Saturday morning, the adventure commenced as groups made their way into the game park, traversing challenging and muddy terrain. Over the course of two days, they focused on essential outdoor skills, including meal preparation, campsite construction, and navigation.

Despite the challenging conditions, all participants successfully arrived at their destination on Sunday afternoon. The expedition provided valuable experience in teamwork and resilience, ensuring they are well-prepared for their qualifying expedition. Congratulations to all involved!

DUKE OF EDINBURGH SILVER PRACTICE EXPEDITION

On the 5th of April, the Duke of Edinburgh Silver Award participants embarked on a journey that tested not only their knowledge, but their resilience, teamwork, and grit.

The Duke of Edinburgh's Silver Award is a personal challenge program for young people, designed to encourage personal development, leadership, and community engagement. It is the second level of the award, building upon the Bronze level.

THE FUTURE

The Silver Practice Expedition showed students just how capable they are. With each challenge faced, they built confidence, teamwork, and resilience—skills they'll carry into the Qualifying Expedition and far beyond school life.

International Week!

Celebrating
Cultures and
Connecting
Communities

By Gladys Batubenga
-YR 12

International Week is more than just a celebration of our cultural diversity; it's an opportunity to connect, to understand, and to appreciate the rich tapestry of humanity that we are all a part of. It reminds us that while we may come from different places, we all share the same world.

MTB

BY DANIEL CHIMUKA - YR 9

The popular MTB race held over the weekend attracted participants and spectators alike. Riders of all skill levels tackled challenging trails under sunny skies, celebrating their achievements at the finish line and sharing their experiences. Congratulations to all the pupils from Trident College!

REGIONALS

Hockey & Athletics

By Jaeden Perumal
- YR 12

Hockey!

Our Hockey Teams are through to the Nationals with our girls (A side) placing 2nd and our boys (A side) placing 3rd.

Our girls (B side) actually won the tournament but we can only have one team per school go through to the Nationals. We, therefore, have lots of players to choose from. Our boys (B side) finished 7th. Well done to our coaches and teams. Thank you to all of our coaches for a busy but successful weekend.
~Mr. Rowe-Needham

About Our Athletes

"Our athletes blew away the rest of the competition and came 1st out of the 12 competing schools.

Excellent performance backed up by hard work from the coaches. So thank you and well done to all."
~Mr. Rowe-Needham

Rugby Sevens

Kushal Sharma - YR 11

On March 28th, three teams consisting of U14, U16, and U19 players travelled to the Diggers rugby grounds to compete in a tournament organised by Trident. The event featured several schools, including Trident College, Simba, Martin House, Amano Christian School, Mpelembe Secondary, Lechwe School, and Sentinel Kabitaka.

Sports News for Cobre House

“During the holidays, I participated in the Toyota Easter Festival in South Africa on Another Penny, where I proudly finished 12th out of 43 riders.

For anyone considering taking up show jumping or any other sport, my advice is simple: start, remain consistent, and stay dedicated.”

Sports News for Cobre House

We extend huge congratulations to Joel for his outstanding performance at the May Open 3-day ZANEF (Zambia National Equestrian Federation) show in Lusaka. His remarkable achievement of three 1st place finishes and one 2nd place is truly commendable. We also celebrate Charlotte's excellent results, securing a 1st place and a 3rd place in the FEI Bronze Children's Classic Qualifier. Adding to the excitement, this show included the first qualifier round for the prestigious FEI (Federation Equestre Internationale) Children's Classic. Well done to both Joel and Charlotte on their impressive achievements in the equestrian arena! Cobre House is incredibly proud of your dedication and success.

Noah Van Der Merwe earned a bronze medal in the 100m freestyle relay at the South African Junior Nationals (SANJ) in the age 14 relay team. He made the finals every day. He swam, competing against over 150 swimmers in relay events. Finishing in the top ten in his age group is an incredible achievement — and bringing home a medal is the cherry on top!

“What a successful day at the C&B Engineering 2025 Junior Golf Competition, held at Kansanshi Golf Course. Huge congratulations to Yann-Kelvin Mumpi for his 2nd place in the 9-hole category, and to Josh and Elroy Kabukala for both taking 1st place in their respective 18-hole categories! It sounds like a very promising future for these young golfers. Well done to all of them!”

~ Mrs Thompson

Motocross Competition: During Round 1 of the Zambian Motocross National Championships held in March in Kitwe, Ethan Botha secured third place in the 125cc category.

"Congratulations, Ethan!

Best of luck to you and Matthew Pinetown as you gear up for Round 2 of the National Championships this May in Lusaka."

~ Mrs Thompson

STAFF ZONE: KANSANSHI

MARATHON

By Ishaan Nayee - YR 9

Congratulations to the Trident Staff that participated! It was wonderful to see everyone come together to support such a fantastic event. We're proud of each and every one of you for your efforts and spirit. Here's to more successful marathons and memorable moments in the future!
