

CONGRATULATIONS TO THE IGCSE CLASS OF 2025

TRIDENT
COLLEGE

ENGAGE ENLIGHTEN EMPOWER

The Class of 2025, Trident's largest cohort to date, has made the College immensely proud through its academic achievements.

Our top performers demonstrated exceptional commitment and discipline, with 28% of grades awarded at A and above and an impressive 81% at C and above. These results stand as a clear testament to the rewards of choosing courage over comfort throughout the academic journey.

While we celebrate these outstanding outcomes, it is equally important to recognise the efforts of all pupils in the cohort who worked diligently to achieve their individual potential. Collectively, these accomplishments reflect the dedication, resilience, and collaborative spirit of our students, teachers, and the wider Trident College community.

We look forward with confidence to another year of continuous improvement, personal growth, and developing maturity as this cohort progresses to the AS Level programme in 2026.

Our top performers are as follows:

**CLAUDIA-JEAN
THANDIWE FOLOTIYA :
