

United in Diversity

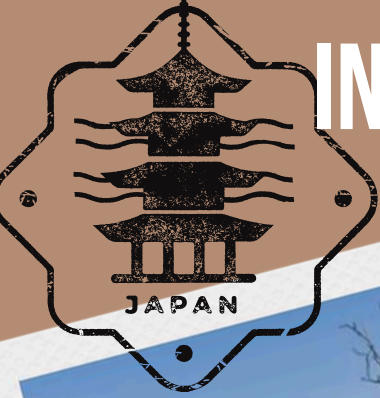

International Week is a wonderful opportunity to celebrate the rich diversity that makes our community so special. Every culture carries its own traditions, values, languages, and experiences, each telling a unique story that has been passed down through generations.

While we may have come from different backgrounds and places around the world, it is these differences that enrich our lives and help us learn from one another. Diversity reminds us that there is beauty in seeing the world through different perspectives, and that every person brings something valuable to our shared community.

INTERNATIONAL WEEK

ENVIRONMENTAL WEEK

**Change
Starts
With
Us**

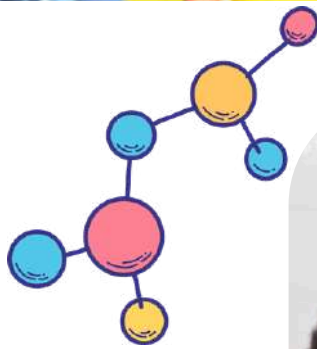

Trident's Environmental Week focused on raising awareness about our planet's condition and inspiring individuals to take action for a healthier and more sustainable future. By understanding how our daily actions affect the Earth, we can make better choices that help protect and preserve the environment. This week encouraged everyone to be part of the solution and contribute to a greener world for future generations. Pupils had the opportunity to participate in a quiz about the environment and to plant trees.

$E=mc^2$ SCIENCE WEEK

This year's Science Week featured a range of exciting and challenging events that encouraged students to think creatively, solve problems, and apply their scientific knowledge. Activities included the Rubik's Cube Challenge, where participants tested their logic, patience, and problem-solving skills, and the e-Challenge, which pushed students to work collaboratively and think critically.

ISAZ NORTHERN REGION ARTS FESTIVAL

By Mutinta Yr 7 and Tabeth Yr 8

On 5 and 6 June, Sentinel Kabitaka hosted this year's ISAZ Northern Region Arts Festival, showcasing an impressive range of regional artwork. Trident was represented by a diverse group of students from Year 7 to Year 13, who submitted entries, including artworks, crafts, prints, Design & Technology projects, and robotic creations.

PICASSO ART COMPETITION

By Alldad Yr 7

The PICASSO ART CONTEST, presented by PICASSO CREATIVE SKILLS, is a prestigious international online art competition open to children and young adults aged 6 to 19. Established with the mission to inspire and nurture artistic talent, the platform has welcomed participants from over 76 countries, including the USA, UK, India, UAE, and Malaysia. The community has grown to attract art enthusiasts from more than 129 countries worldwide.- <https://picassoartcontest.com/>

Thula Njele, Benny-Eric Mumpi, Jaeden Perumal, and Marcini Perumal were awarded certificates for their pieces, which achieved either Gold or Diamond status. We look forward to increased participation in future competitions.

TRIDENT FESTIVAL

Trident had the pleasure of inviting parents, friends and alumni to celebrate its anniversary. The week was filled with engaging activities for both parents and students. One highlight was a meeting with alumni that fostered connections between past and current pupils. A trail run through the nature reserve attracted considerable participation from both students and parents. Food stalls dotted the fields, complemented by friendly sports matches between parents and staff. In the evening, students enjoyed a lively disco, while parents and staff danced the night away to the sounds of a live band. Additionally, we hosted a "breakfast in the bush," where many parents, students, and staff gathered to witness the sunrise over steaming cups of coffee.

MAMMA MIA!

As part of the 2026 Trident Festival, Trident College hosted an outstanding production of Mamma Mia!, bringing music, dancing and theatre together for an unforgettable evening. The performance showcased the incredible talent, creativity and dedication of our students, who brought the energy of the musical to life on stage.

From the lively choreography to the impressive vocals and vibrant performances, the cast kept the audience entertained from beginning to end. The production was filled with energy, humour and memorable moments, creating an atmosphere that had the audience cheering and thoroughly enjoying the show.

Mamma Mia! was undoubtedly one of the highlights of this year's festival, demonstrating the passion and talent within the Trident community. It was a fantastic celebration of the performing arts and a performance that left the audience with plenty to remember.

MUN- MARTIN HOUSE

By Chisebwe Fumbeshi

Model United Nations Success!

From 5th to 7th June, Trident College participated in the Martin House Trust School Model United Nations conference. We are proud to celebrate Favor Chilufya, who received the Best Delegate award, and Rita Ndhlovu, who was named Most Promising Delegate. Congratulations to all our delegates for representing the College with excellence.

Duke of Edinburgh- Gold Expedition

THE BEST VIEWS COME AFTER THE HARDEST CLIMBS.

Trekking across the heart of Zambia

Let's congratulate our brilliant Trident students for conquering the treacherous journey across the North Swaka Protected Forest in Mkushi. From 13th to the 16th of June, our seven students took part in a four-day expedition, scaling Mount Mumpu, Zambia's tallest free-standing mountain. It was an incredible achievement that demonstrated spirit, teamwork, and determination.

Success Story

Little Background Story

The Year 11 students thoroughly enjoyed their five-day camp at their designated locations. Throughout the experience, they encountered a variety of challenges and gained valuable first-hand insight into the different living conditions and lifestyles of the communities they visited. Those at Maheba developed a deeper understanding of the daily realities and resilience of the people living there, while those at Haven of Rest experienced a contrasting environment and learned about the unique circumstances and way of life within the community. Overall, the camp broadened the students' perspectives, fostered empathy, and provided meaningful life experiences beyond the classroom.

Community Updates

The Groups

The Year 11 camp was an enjoyable journey for the Year 11 students. They had two groups: one group went to Maheba, while the other group went to Haven of Rest.

Following the completion of their mock examinations, the Year 11 students embarked on a well-deserved five-day camp, departing on Saturday and returning on Thursday. The camp provided the perfect opportunity to unwind after weeks of hard work while strengthening friendships, embracing new experiences, and creating unforgettable memories. As one of the highlights of the school year, the trip marked an important milestone in their Year 11 journey, leaving students with lasting experiences and stories to cherish.

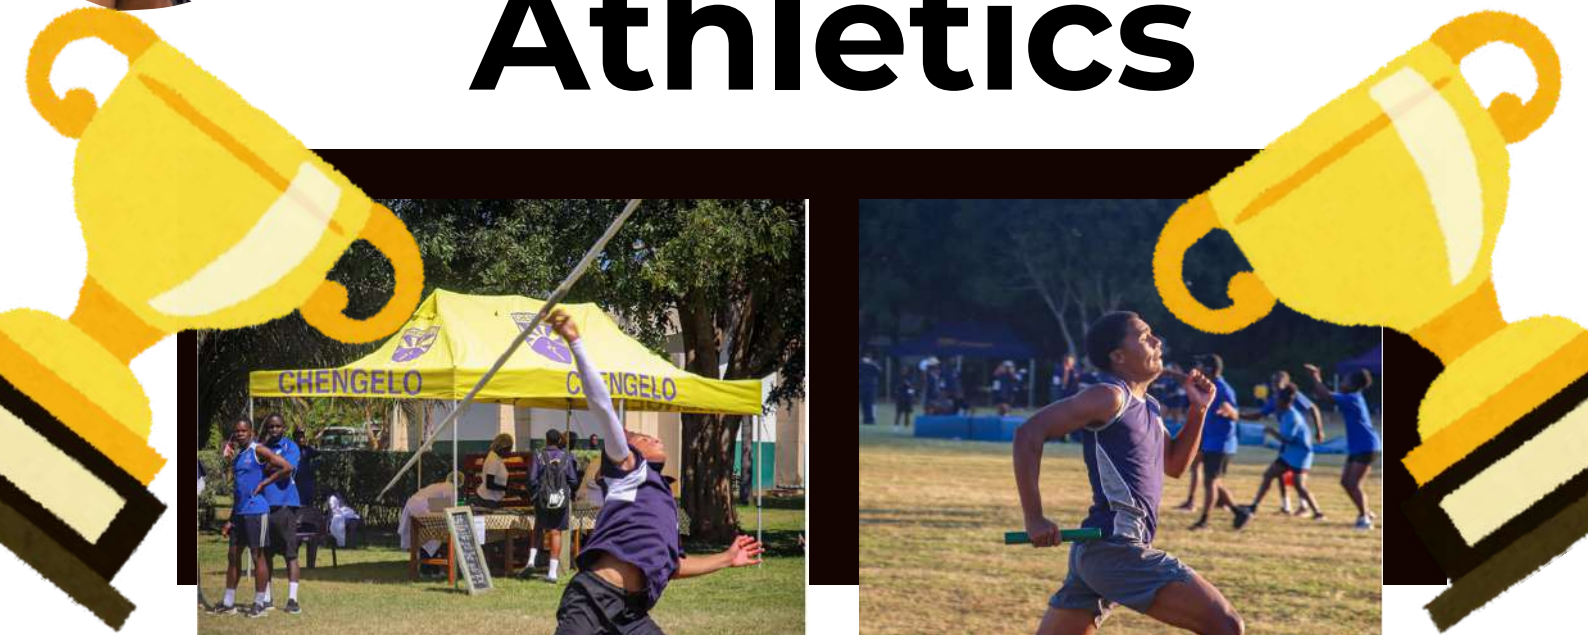

CYCLE 3 SPORT ACTIVITIES

BY CHILANZI, MARIA & ALLDAD Y7

Athletics

REGIONALS AT CHENGELO

The ISAZ Regionals proved challenging once again, but the school managed to win overall first place. The participants' commitment to training and competing at an exceptional level is commendable.

By Chilanzi Yr 7

NATIONALS

The ISAZ National Athletics Competition at Chengelo was a fantastic experience for our teams. Beyond the competitive events, a highlight was the social event that allowed students to connect and form friendships with Chengelo students.

HOCKEY

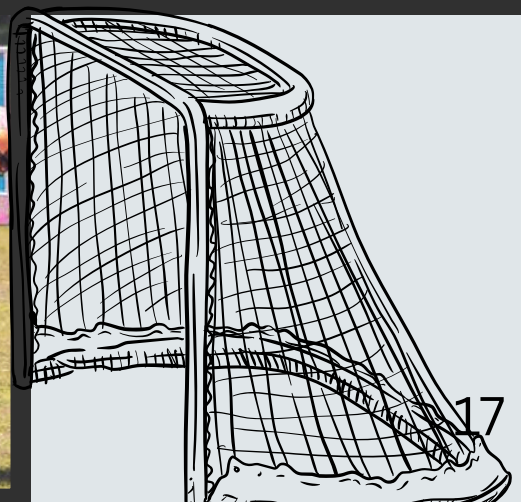

TEMWANI YRIO, SHALOM YRIO & AMY YR9

The Trident College Solwezi girls' and boys' hockey teams travelled to Chengelo School to compete in the ISAZ Hockey & Athletics Nationals, proudly representing the school against strong opposition from across Zambia.

Through determination, teamwork and sportsmanship, both teams displayed resilience and school spirit in every match, making Trident proud.

JUNIOR GOLF

A fun golf day for Kansanshi

On Saturday, 18 July, a group of students participated in the BIA Junior Tournament, which was a great success, with nine of our students taking part. The tournament consisted of 18-hole stroke play, during which the students displayed great determination. In the girls' 18-hole category, Elroy Kabukala placed first with a score of 87. In the boys' 18-hole category, Tinovimba Muzinda finished sixth with a score of 91. Josh Kabukala finished second with a score of 85, while Gabriel Khumalo finished in first place with an exceptional score of 80. Overall, it was a great display by the golfers, and we hope to grow the sport at Trident.
