Fee Policy 2027

The following rates and figures apply to all private pupils at the Trident Schools in 2027. Generally, fees are reviewed annually but the Board reserves the right to adjust fees more frequently if necessary.

Application Fee

This payment is due when parents complete a formal application for a place at the school for their child. It is a once-off fee and is non-refundable. The fee is applicable for each application.

Registration Deposit - Entry:

Once the school has offered a place to a child, this payment becomes due. The registration payment guarantees a pupil's place at the school.

Registration Deposit - Top up:

Top up of registration deposit billings will be done on student exit from prep school (Year 6) and entry into the College (Year 7) considering the initial deposit paid at the time of entry and the deposit due at the time of movement across to college.

The revised deposit rate for 2027 comes into effect on 1 November 2026.

Exits:

Registration deposits are credited to the fee account when a child leaves the school. Credit balances on the accounts will be refunded within six weeks of the departure date. Registration Deposits will be refunded by less bank charges.

Sundry Charges

The cost of other items such as uniforms, stationery, trips, exam fees, medical expenses etc, paid on behalf of a child, will be charged to the account and are payable on presentation.

School Fee

This fee is for tuition and boarding where applicable.
